

POWER SUPPLY & PROTECTION

Diotec products for LED drivers, ESD protection, efficient rectification, Diodes

- Diodes : Schottky Barrier , Zener, Transient Voltage Suppressor, Current limiting, Small Signal
- Rectifiers : Standart, Fast/Ultrafast/Superfast switching, High voltage
- Bridge rectifiers, single & three phase, Arrays, Bipolar Transistors, Field Effect Transistors, Diacs

Discret Semiconductors, Inc

- Diodes: Signal, Schottky, Zener, Sensor, Germanium, Bridge, Diacs, Tuner, Tvs devices
- Transistors and Voltage Regulators
- Various packages : DO-34-35-41-127, SOD 123/323/523, Quadro/Mini/Micro MELF, SOT-23, TO 92-220

JB Capacitors manufactures

Capacitors : Plastic Film, Aluminum Electrolytic, SMD Aluminum Electrolytic

RICHTEK Technology Corporation is one of the world's leading analog IC companies.

- Linear Regulator, Switching Converter & Controler, Battery Management
- WLED Driver, LED Lighting DC/DC Driver

Taiwan semiconductor

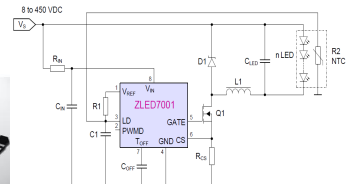

- Analog IC Amplifier&Comparator, Adaptator IC, ULDO Driver IC, Voltage Ref, Switching Voltage Regulator, Reset IC
- Small Signal Product : Switching Diode, Zener, Sky, Transistor, Diac, Std Gpp, ESD Protection
- Rectifier : Zener, Standart, Fast, Schottky, Superfast, Highefficient
- Bridge, TVS, Mosfet & Transistor

ZMDI for Automotive, Industrial, Consumer and Medical Applications

- Led drivers up to 98% efficiency, low manufacturing cost
- Smart power management
- Intelligent Battery Sensing, 18-bit resolution for higher accuracy

MCU & MPU

MCU Micro controller

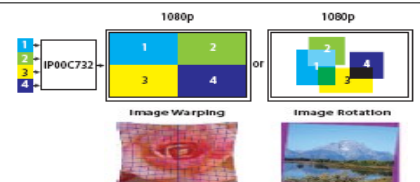

- Generic Micro controller Unit, 8-bit MCU with 128KB eFlash and 4.25KB RAM...
- Keyboard Controller

I-Chips Image and video processing

- De-interlacer / Scaler / De-interlacer up to 1080p single/multi input
- Application : 3D/4K2K/Many Format Display Convert
- Video-Wall, Warping device (image distortion)

ELECTROMECHANICAL & SWITCH

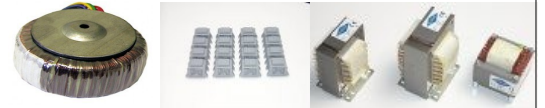

APEM French Manufacturer of man-machine interfaces

- Panel switch : Sensory, Industrial Toggle, Rocker, Pushbutton, Sealing boots
- Keyboard : Membrane, Rubber, Rugged military, Touch Screen
- PCB switch - Joystick

Arabel ELECTRONICS & MAGNETICS

- Transformer : Linear, toroidale, medical appliances

Arcoelectric for switches, indicator lights and fuseholders

- Switches : Rocker, Toggle, Push button, Industrial, Vandal resistant, Safety, Slide, Refrigerator & Rotary
- Indicator Lights, IEC Connector, Fuseholders...

Electromechanical Components

- Battery holders, Mains filters, Fuseholders, Switches, Indicators
- Enclosures

Crovisa Encapsulated transformers.

- Laminated, Encapsulated T40C T70C, Toroidal, Safety, Custom Transformer

Finder is Europe's largest manufacturer of plug-in relays and of relay sockets

Relays : PCB, Industrial, interface module, forcibly guided contact, monitoring, Step, Light dependent

Timer , Power supply, Surge protection device (SPD), PIR movement detector...

Isocom is a manufacturer of optocouplers & optoswitches

- Optocouplers : Transistor, AC Input, Schmitt Triggers, Darlingtons, Triacs, Low power couplers
- Optoswitch : Standart (Single channel and transistor), Special (Reflector, Flying leads, 5mm), Custom...

Zippy Supplier of switch and micro switch

- Switch : Encoder, rotary, hook, Low Torque, Push, Rocker
- Rotary, Side Mini, Slide, Tact, Water Proof

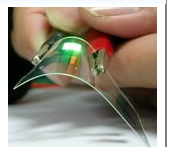

LCD & GLASS

Elesta

- Alphanumeric and graphic Displays
- TFT and OLED Displays (2,5 to 12,1")
- LCD Glass and **CUSTOM** LCD Glass

CONNECTOR

Antelec is a supplier of connectors and interconnect components

- D-Sub, DVI, HDMI, USB, RJ45, IEEE1394
- Board to board, Micro match, IDC, Wire to Board, FFC/FPC, IC Support

Binder high-quality connectors & cordsets

- Accessories and Tooling
- Circular Connectors
- Network Components & Solenoid Valve Connectors

BULGIN Designers & Manufacturers

- Connectors Specific : Buccaneer® (IP68) : Sma, smb, Ethernet, USB, MiniUSB, Firewire
- Polysnap®, IEC (EN60320), General Purpose

Cambridge Connectors Connector to operate in high speed 3G-SDI

- Real 75 Ohm BNC, Din 1.0/2.3, Mini BNC
- Sub D, co-axial, circular, DIN41612, Edgcard, Modular

NEUTRIK Audio, Video & Lighting :XLR, Plugs & jacks, RCA, BNC, OpticalCON, etherCON, powerCON, circular connector

Data: USB, HDMI, Firewire

Vitelec Connectivity Solutions manufactures connectors and cable assemblies to your drawings and specification : BNC, TNC, N, SMA, SMB, SMC, MCX, MMCX, F, UHF, MiniUHF, FME.

WIRELESS

AUREL - Zigbee Modules- Wireless systems 433 / 868Mhz

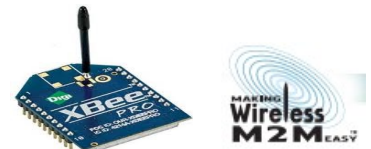

Transmitter / Receiver / Decoders / Remote transmitters / RF Power modules / Infrared PIR Sensors / Antenna

Digi Making Wireless M2M Easy XBEE

Wireless systems 802.15.4/ZigBee/ RF 868MHz/RF900MHz /RF 2.4 GHz

For network point-to-point (PTP), point-to-multipoint (PTM)

QUECTEL Quectel Wireless Solutions - Dedicated M2M Wireless Module Manufacturer

- GSM / GPRS Module
- GPS Module

SENSOR & SSC

- Sensor Signal Conditionner & Sensor signal Interfaces

- TAB develops accurate, functional & Fast Sensor systems for a wide range of applications.

LIGHTING

KINGBRIGHT is a professional supplier of opto-electronic components

- LED : Lamp, display, high brightness, SMD, Super flux..
- Photo Interrupter, IR Led, Phototransistor, Photo coupler, Photo sensor...
- SMD Display : Single / Double Digit, Alphanumeric

OPTICAL FIBER

Gennum designs the industry's most innovative optical

- Optical Module Single or Dual Channel Transmitter / Receiver 1260 to 1620nm, 50/3000 Mb/s
- CWDM Optical module Single or Dual Channel Transmitter / Receiver 1271 to 1551nm (18 channels)
- CDRs &, ROSAs 25-28Gb/s, TIAs integrated IC solution for 16G Fibre Channel SFP+, Laser Driver & Limiting Amps 40G To 100G Ethernet, Crosspoint up to 10G

Stable Technology (Shenzhen) Co., Ltd provides solutions for fiber optics

- patch cords, connectors, pigtailed, attenuators, adaptors, splitters, terminal box
- Optical modules : CWDM, SFP, SFP+10GB, X2, XFP...

INTERFACE

Gennum provides SDI interfaces up to 3G , including SMPTE 424M, DVB ASI compliant

- SD/HD/3G SDI Equalizer, Cable Driver, Reclocker, SERDES fully integrated, crosspoint ...
- HD-CCTV All in one solutions for SDI HD : Data, Control, Power, up to 300m coax
- Solution for extending cable length for HDMI, DVI, Displayport and PCIe.

Explore Semiconductor has been focusing on differential interface technology

- Transmitter / receiver / Bridge / Switcher / Repeater / Bridge / Splitter / Matrix for HDMI 1.3/1.4, Display Port, LVDS, eLVDS, DVI, MHL, OSD, IDP
- USB & CEC Controller

VIDEO ENCODING

Intopix offers the most powerful, flexible **JPEG2000 Encoders & Decoders IP-cores** for ultra high definition (up 8K)

High Quality **chip Encoder / Decoder and Transcoder H.264 & Mpeg2** for SD/HD/3G with all connections

CoreEL has developed **Encoder and Decoder h.264 IPs.**
